THE SURVIVORSHIP ANNUITY.

This is admirably illustrated by the case of a father, with a son or daughter, for example age ten. His child depends upon him for advice, education and guidance in life. If the father lives, the child most likely will be taken care of, if he does not live, the child's chance is wholly or largely destroyed. This form of annuity takes care of the child. It calculates his chance of outliving the father, and when the latter dies, begins to pay for the child a life income, thus supplying the same care which the father did in his life time. 55th year, doing business in 38 states.

Perilous Adventures of Burlington Men on Mallett's Bay.

Burlington, Nov. 21.—Paul D. Kelley and Fred Howes had a narrow escape from drowning Saturday. They were in an open boat on Mallett's bay hunting ducks. Are You Out of Sorts

Many People, Not Really Sick, Are Out of Sorts—The Old-Time Energy and Spirits Are Lacking.

Something is needed to restore that animation that characterized the days before the system had been overtaxed or weakened by care, work, folly, excess or worry. Good, rich blood and strong, steady nerves are essential to perfect health and enjoyment of life. When vitality is lacking, pleasures cease and work becomes a drudge and drag. Blood is the well-spring and nerves the main-spring of the body. With either of them impaired life loses much of its charm. Nothing puts animation and satisfaction into living as quickly, safely and surely as Dr. Chase's Blood and Nerve Food. It soon brings you out of all unnatural mental or physical conditions due to either blood poverty or to nervous enfeeblement. Weigh yourself before taking it. This is the food that made the name "Chase" famous. The genuine is made only by The Dr. Chase Co., Philadelphia, Pa. Price 50 cents a box, five boxes, enough to give it a fair trial, \$2.00. Book free.

Sold and guaranteed by E. A. Drown.
